

President's Christmas message 2021

Well, another year has just flown by, and where has it gone.

This has been a very trying year for My Car Club NSW, but we have managed to get through it, albeit with a few roadblocks along the way.

Our membership has only grown very slightly this year and we are just under 100 Financial Members. At renewal time there were a couple of people who did not renew and there have been some new members join us since then, which shows the slight increase in the numbers that we now have.

Events were limited throughout 2021, but once the lockdown was lifted Mark was extremely busy getting everyone who could, back on the road again. It was great to catch up with each other again.

You may have noticed that I purposely do not mention much about the COVID situation, when sending out messages, only to state that we will be adhering to the "Current" Government requirements. These changed as quick as the weather in some cases, and we had to adapt to suit these requirements.

The Executive Committee had to adopt several measures to hopefully ensure the safety of our members, their families & friends, as we thought this was first and foremost, during these times. I don't apologise for the inconvenience this may have caused, but I do hope that you appreciate what we have tried to achieve, by initiating these measures.

Our recent Christmas Party, at Alex's Autos went off very well with everyone taking home a Christmas Present. Whilst some took home extras after winning the raffles. We had a little fun along the way and a lot of laughs. Thank you to all those who attended and a special thankyou to Mark for all the efforts he put in on the day and throughout 2021.

It goes without saying that I am very proud to have started this Club with Mark. We have a great committee and I value their input and support – Well Done team & thank you very much.

Another thank you to those members who have helped along the way, this has not gone unnoticed by me, and I do appreciate the efforts you have made.

To everyone of our members, the Committee and I would like to take this opportunity to wish you and your families a very Merry Christmas and a Happy New Year.

From the Executive Committee, Mark, Ken, Jenny, Mick, Bill & I we thank you for your continued support & look forward to catching up again soon, Stay Safe.
