

31/10/2023

Presidents Annual report for 2022-2023

The Club has had another good year with our membership remaining relatively stable, at just under 100 members.

We started the Club in late 2019, with the intent to provide our members with a social Car Club, where people could enjoy the pleasures of driving their vehicle, whether it be a Classic, Historic, or current model vehicle, on one of our many drives.

I would like to think that our Club has achieved this very well.

This also allowed you to catch up with your fellow members to enjoy each other's company, over a meal, or Coffee & Cake.

There have been some great events in the past twelve months with some very recent tours taking place. These have all been well attended and been very informative.

It is amazing that we have so many "Oasis" in our own back yards, which we were not aware of, until we attended the MCCNSW drive event.

Our finances have grown steadily, and we have some money in the bank, not a lot, but we are covering all the running costs associated with the Club. (see the financial statements).

We are always looking ahead to see what we can do better, so if you have any ideas how we can improve what we do, please let me, or one of the Executive team know.

As with most Clubs, there are a few people who do a lot of work to keep things going.

If you can provide any form of assistance, please let us know as this will be greatly appreciated.

Our Christmas function is being meticulously planned and we hope to see you all there on the 16th of December 2023. I am sure you will have a great night. ***DON'T FORGET TO BOOK IN***

Thank you to our Executive Team and you, the members, for making this Car Club what it is.

DENNIS DINSE

PRESIDENT
