

## CARPACCINOS...THE BENZIN CAFE.

Wednesday 6<sup>th</sup> April, 2022.

11.00 am meet, 1/242 New Line Road, Dural.

The rain did not dampen our great day out with the crowd enjoying the midweek Carpaccino at The Benzin Café. The weather had cooled down to 17degrees C, a reminder that Autumn is certainly here, telling us that it is not the weather to drive a Morgan.

It was great to be out and about again and to catch-up and talk not only about cars but what we have been doing and our hobbies.

The Benzin Café is an excellent place (especially during weekdays as the weekend tends to be overcrowded) for motoring enthusiasts with memorabilia dotted throughout the establishment.

Their food is excellent with a great variety on the menu to choose from.....you can select the simple Hot Cross bun to the heart stopping French Elvis (peanut butter French toast, lots of bacon, caramel, banana, maple syrup etc.).

Sixteen cars and 22 people made for a fun day indeed!

George Kyling.
