

Kurrajong CARPACCINO.

2nd March.

Meeting place was at I Maccas, corner of Groves Ave. and Windsor Rd, Windsor.

Meeting time 10.00 for 10.30 departure.

Caryn and Todd led from the start with Mark and Alana in the Mercedes M class following, with another seven or eight cars behind me.

The low-lying turf farms of Freemans Reach were as green as anything you would find in the Emerald Isle....!

The roads were wet but posed no problem....next to Kurrajong....at one stage we were completely surrounded by foliage!

The greenery was so thick my co-driver was beginning to worry about monkeys and gorillas but we soon got to the town of North Richmond and thence onward to the pretty little village of Kurrajong.

A memorable and very tasty lunch was soon had by all at the Village Inn.

Then it was back down the mountains to the 'Fiddler' where we turned right and made our way to the gorgeous home of Caryn Hamilton at The Ponds...a spectacular impromptu 'High Tea' then ensued with lots of fun and laughter and conversation concerning the history of the Morgan Motorcar.....right up my alley!

Many thanks to Mark and a special thank you to Caryn. Mike Parsons.
