

WEEKEND DRIVE- MORTLAKE .

Sunday 29th of May, 2022.

9.00am meeting for breakfast at DOM PANINO.

With not a grey cloud in sight we headed to our destination to view a SURPRISE!
29 members who arrived in 25 cars filled the quiet area and chose a light breakfast from the Dom Panino van stationed at the entrance.

After breakfast, upon entering the premises, a rainbow display of 31 pristine cars greeted us—Alfa Romeos, Ferraris, and Porsches filled the 2 large garages and beyond. What a marvellous collection! No photographs allowed.

The caretaker Tony has the best job in the world, he gets to drive the cars on a regular basis!

After the tour a certificate of appreciation with an Australian bottle of red wine was presented by our President Dennis who asked if car clubs are welcome.....the reply being "if they ask nicely!"

The day was certainly enjoyed by all who attended—a big thank you to Mark for arranging the day!

Reporter of the day,
Rose Mills.
