

OUR CLUB'S FIRST EVENT FOR 2024.

TUESDAY 9th JANUARY, 2024.

A TASTE OF VIETNAM CABRAMATTA.

Meeting place, 10.30 am, at the entrance to Cabra-Vale Diggers Club.

The day was to be spent exploring the food and culture of the real Cabramatta and in the process visiting the many shops and markets contained therein.

Our guide for the day was well known club member Cam Duong.

All participants were on hand at the designated time with no late comers...and no problem parking either with a multitude of spaces available...this is a large venue indeed!

In due course the entourage took off for about a 30 minute walk to the actual markets themselves...a little longer for some but all made it in the end!

Many obviously significant sculptures were passed on the way AND some interesting people into the bargain!

And what a selection from the multitude of vendors displaying their wares...fruit, fish, meat, craft, etc...definitely something to please all and sundry!

Cam, our fearless leader, ensured that no one was lost (and it certainly was busy) and also bought some Vietnamese pastry which was duly shared amongst the members.

After our shopping 'spree' the markets were left behind and the Diggers once again became our next port of call.

And what a choice of places to eat!

In all there are 4 separate eateries.

Horizon....Asian dining.

Bistro 1925...Australian dining.

District 8....South East Asian.

Poppy cafe.... light Australian dining.

Stumped for choice to be sure!

Of course all members chose Asian dining!

Thanks must go to Cam for booking a table for the 15 now hungry members and her guided tour...maybe a career change is in the offing?

After having partaken of the many and varied treats it was time to head off for home to beat the peak hour traffic.

As usual a fine time was had by all, and what an experience!

ED.
