

WEDNESDAY 12th FEBRUARY, 2025.
VENUE: GEORGES RIVER 16 FT SAILING CLUB.

And what a venue!

This welcoming club is nestled on the stunning waterfront, with picturesque views of the meeting place of Botany Bay and the Georges River and views towards Towra Point and Woollooware Bay....the perfect setting for My Car Club's monthly get together!

Being a Carpaccino's this was a meet on site day at the Sandringham address....no long drive but nevertheless the weather was perfect for a 'Sunday' drive.

An extensive menu was on hand with the favoured dish being, of course, fish and chips!

21 members (including a few first timers) were in attendance and judging by the natter (and some noggin) a very enjoyable catch up was had by all!

Some of our great cars were also in attendance.....a couple of BMWs, a few Mercedes, a Mustang, a Volvo, a Corolla, a Chrysler ute et alia.

All in all another very pleasant day!
Well done Mark!
