

Mid Week drive to Mona Vale Golf Club 17.12.25

Our meeting place was McDonalds Thornleigh at 10.30 am and after our usual meet and greet we all departed with David Rollason as the lead car.

The weather was a perfect summer's day for a drive, 8 cars at the start with the rest of the group meeting at the club.

All cars managed to stay in close formation so as not to get lost as there were many different roads that could be travelled to reach our final destinationnobody got lost!

We travelled through the leafy suburb of St Ives, through Turramurra, Terry Hills then onto Mc Carrs Creek Road passing through Church Point and Bayview and finishing up at our final destination, the Mona Vale Golf Club for lunch.

Our group was seated outside with a fantastic view over Mona Vale Beach and environs.

The food was great and was enjoyed by all, and the conversations never died!

20 keen members made the journey with an assortment of vehicles taking part....Bob in his Mark 2, Chris in his Daimler, Julian in his Moke (perfect weather) and a number of Mercedes of all ilks! It was good to see Sheryl on the the run taking time off from her extensive travel timetable!

Bob's.

Julian's.

Chris'.

A pleasant day was enjoyed by all who attended.

Writer of the day: **events director Mark.**
