

**Over 20 people came along to lunch on Wednesday 3<sup>rd</sup> December at the Vineyard Sydney Pub.**

Located at the corner of Boundary Road and the Windsor Road , the collection of buildings there seemed an unlikely venue for My Car Club's lunch visit as we all attacked the site from different directions and parked our cars in different sections of the site. It was going to be a job for Mark to find them all for the car pics!

Some of us drove in from the Boundary Road entrance and found the drive-in bottle shop.... nearby there was entry to a bar but no food facilities!

Others of us stood in the carpark waiting for others to arrive but those “others” were already inside, tucking into their lunch!

After getting a text from Russell, I was directed to Tod's Morgan in the carpark and knew I had to be close. Sure enough, behind the pub's motel section and right at the back of the building near the carpark was a very large area of indoor-outdoor dining facilities. This led to a large Bistro, right near the ice cream shop.

And there, too, were the aforementioned members, tucking into their lunches!

It's clear that there is a lot of redevelopment work taking place at this site and management is developing a very large complex. Of special interest for now is an area called "Christmas Village"..... here there is walkway through a Christmas scene with all the Christmas figures and decorations you could expect. These objects were all festooned with lighting too and at night you could imagine the whole area as a brilliantly lit Christmas spectacle.

There must have been a lot to talk about for our members since the conversations were long and enthusiastic, everyone enjoying the opportunity for a mid-week lunch get together. Despite the temperature outside heading up to the high 30s, we were very comfortable in the hotel dining area over very tasty lunch.

Eventually, there were other things to be done and places to be and we made our way outside to try to remember where we had left our cars!

Thanks again to Mark for arranging the visit.
