The Wilton Pub Run – Bingara Gorge.

Midweek drive.

Wednesday 21st October, 2021.

A good turnout, an interesting variety of cars and a relaxed day out with fellow members certainly set the scene for our somewhat brisk but pleasant drive to Bingara Gorge.
Uncle Leo's Roadhouse, our usual meeting point for runs down south, was the starting point. With a 10:30 am meeting time for an 11:00 am departure, everyone was on time and itching to go!
Some eight odd members met us at said destination as they were locals to the area with more than 30 members in total participated in the outing!

From uncle Leo's a straightforward run down the expressway beckoned, with just a few left turns thrown in for good measure! Most importantly, everyone arrived safely.

Our destination,The Wilton, proved to be an excellent choice with magnificent views across the newish golf course. The food was tasty, reasonably priced and well served, while the relaxed atmosphere provided the perfect setting for members to catch up and enjoy the usual lively conversation.

Just some of the hungry horde.

Yummy food.

The cars on display were as varied as the members themselves with an eclectic collection of marques and models. Highlights included Ken's Citroën, Paul's SL, David's CLK500, Phil's CLK 280, a BMW 330, Julien's Honda, Colin's Mercedes-Benz, Bob's Jaguar V12, Lofty's 560SEL, Andy's Mustang, to name just a few.

Bob's Jag and Andy's 'Stang.

Ken's Citroen.

Paul's 'devine' SL.

Mark's Merc.

All in all, another thoroughly enjoyable and extremely successful outing.

Thanks are due once again to Mark and to all involved!

Ed.
