

WEDNESDAY the 8th April 2026.

The My Car Club NSW recently gathered for a relaxed and enjoyable club outing at the Graphic Arts Club in Mascot. Members met in the lounge area from 11:30 am ahead of a 12:00 pm lunch with a total of 20 attendees coming along to share in the day.

The venue proved to be an excellent choice with its stylish décor with the welcoming, laid-back atmosphere setting the tone for a very pleasant get together. The comfortable surroundings made it easy for members to mingle, catch up and admire the space before heading in to dine.

Prior to lunch members took the opportunity to browse the menu at their leisure and place their orders at the bar. The staff had thoughtfully arranged a table in the restaurant to accommodate our group, ensuring everyone could sit together and enjoy the occasion.

Once seated meals began arriving promptly and it was clear from the outset that the quality of the food did not disappoint. The dishes were well presented and thoroughly enjoyed by all with plenty of positive comments being shared around the table. The combination of good food, friendly conversation and a relaxed setting made for a thoroughly enjoyable experience.

As always, the variety of cars on display added an extra touch of interest to the day..... members arrived in an impressive mix of vehicles, ranging from Bob's striking 'new' red MGB to Andy's sleek 5 litre Mustang, parked discreetly adjacent to my SLC Mercedes, definitely reflecting the diverse tastes within the club.

Overall, the luncheon at the Graphic Arts Club was a great success, offering members the chance to connect, unwind, and enjoy both good company and fine food.
