

## **MCC Drive to Sugar and Salt Cafe.**

**Wednesday 22<sup>nd</sup> April 2026.**

25 My Car Club members and almost as many cars attended this event.

Most club members met at McDonalds in Windsor for pre-drive coffee and conversation. We then drove to Galston via Annangrove, taking in the bucolic semi-rural landscape on the way.... so much space and greenery.

Sugar Salt Café in Galston is not to be confused with Salt Café Galston, which is about 200 metres away. It is a very popular and busy café right on the roundabout at Galston Road and Arcadia Road. They have an extensive menu covering pasta, sandwiches, burgers, grills and seafood... and the coffee was good too!

As always with the My Car Club there was an eclectic selection of vehicles present, from Michael's very petite Abarth 695 Edizione Maserati to Bob's very grand 1935 Rolls Royce 20/25. Other member cars present were Ken's Citroen D Special, about 5 Mercedes including Mark's 280SE 3.5, Lofty's 560SEC and Albert's 280CE, also a Corolla and a Nissan Xtrail. Something for everyone!

Once again another enjoyable day out with the MCC crew.

**Cheers, Colin Bard.**
