

ORGANICA CAFÉ CONCORD – 11-3-2026

Wednesday, 11th March dawned nice and clear, boding well for the MCC outing that Mark had organised to a very pleasant venue in the heart of Concord's al fresco dining precinct in Majors Bay Road. Parking was at a premium, with hourly restrictions in the café's immediate vicinity, causing the cars to be scattered around the surrounding streets, hence there's not too many photos of the attendant vehicles.

The menu offerings were many and varied, and not one of the couple of dozen club members in attendance was left feeling unsatisfied. The service was prompt and offered good value.

After a couple of hours of bonhomie, it was time to hit the road for home, and everyone agreed that it was another excellent example of Mark's organisational ability. – Andrew Yeend
