

MY CAR CLUB NSW EVENTS

TECH DAY – Super Start Batteries

Saturday 12th September 2026

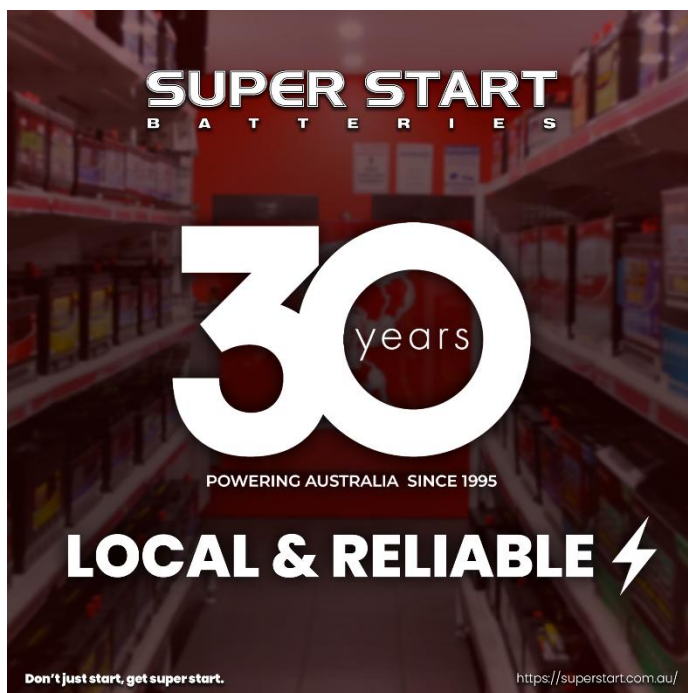

Unit 30/76 Hume Highway, Lansvale.

Meet on site at 10.30am. Parking is available on the premise.

Considered to be one of Australia's largest battery suppliers, Super Start Batteries are industry leaders in designing, developing and manufacturing batteries of superior quality & performance.

Learn the importance of batteries and their proper maintenance.

Followed by a BBQ lunch on the premises (\$5.00 each).

Bookings are essential. “No Booking” No attendance!

Please book early to avoid disappointment on the Clubs Website:
